

Oxford Online Programme in Sleep Medicine

Alumni Day – 08 September 2023

You are invited to join us in Oxford for our first MSc/PgDip Sleep Medicine Alumni Day.

As part of our annual Residential School, we will host a full day event on **Friday 08 September 2023** at the Dorothy Crowfoot Hodgkin Building, with a gala dinner the evening before, **Thursday 07 September 2023**, at St Peter's College, Oxford. This event will allow you to network with current students, faculty and fellow alumni, and reflect on your time as a student at the University of Oxford.

You are encouraged to submit an abstract for presentation at the Alumni Day. This could be based on current or previous research work you have undertaken (including, but not limited to, your MSc dissertation), a sleep-related service you have developed, or another example or summary of how you have used the knowledge and skills you gained during your studies in your existing practice. The topic is entirely up to you, but we are keen to showcase how completion of your MSc/PgDip Sleep Medicine has been of benefit to your professional development.

Three abstracts will be selected to give an oral presentation, with a further seven selected to present a poster. The deadlines for abstract submission are noted overleaf. The three successful oral presentation speakers will receive a travel grant of £200, plus free registration for the meeting and dinner.

The registration fee, inclusive of the gala dinner and full alumni day, is £85.

Please note that the number of available places is strictly limited to 20, so please book early to avoid disappointment!

Please also note that accommodation is **not** included and must be arranged independently by attendees. You may wish to visit <https://www.universityrooms.com/en-GB/city/oxford> to explore historic Oxford college room accommodation for your stay.
